## Thuraya XT-LITE

---

Staying connected has never been this easy.  
Introducing Thuraya XT-LITE, the world's best-value satellite phone.

The Thuraya XT-LITE is very easy-to-use. You can make phone calls and send SMS messages wherever you are, whether you're crossing the desert, sailing at sea or climbing mountains.

---

### Overview

The Thuraya XT-LITE provides reliable satellite phone connectivity with unbeatable value.

It is designed for cost-conscious users who need to stay securely connected, without compromising on a clear and uninterrupted connection.

No matter where your journey takes you, you can rely on Thuraya's comprehensive satellite network to provide reliable, clear and uninterrupted communications in more than 160 countries across Europe, Africa, Asia and Australia.

### Features

- Calls and text messages
- Long-lasting battery life
- Ease of use
- Receive call notifications even with the antenna stowed

*“With the Thuraya XT-LITE, staying connected via satellite has never been this easy.”*
